Things I've Said to My Children Oct 19 2022 An illustrated gift book that brings to life the universal parenting experience of saying strange and hilarious things to one's kids. As the father of five boys (all under age 10), graphic designer Nathan Ripperger has found himself saying some rather funny, absurd, and downright bizarre things to his children, from "Stop riding that penguin, we're leaving" to "I am NOT talking to you until you are wearing underwear." He created poster-like images for each and posted them online. The response from other parents was overwhelming. With *Things I've Said to My Children*, Ripperger has assembled around 80 of the funniest, weirdest, and most amusing sayings and paired them with full-color, designed images that bring these outrageously hysterical quotes to life. Covering the essential parenting topics like food, animals, don'ts, and of course, bodily functions, *Things I've Said to My Children* is a light-hearted illustrated reminder of the shared absurdity of parenthood. *Shakespeare and I - Mirroring All Façades of Reality* Mar 20 2020 In case there's anyone out there that has been reading the things I've been writing on my blogs, probably noticed that one of my "projects" for 2014, 2015 (and now 2016) was to read through all of Shakespeare's Works. Unfortunately, in 2014 I wasn't able to start this project (I read some Shakespeare stuff, but no plays). 2015 was where things really started shapping up Shakespeare-wise. But things were looking even better for 2016. On top of that, 2016 commemorated 400 years since the death of William Shakespeare and this special anniversary year was a truly unique opportunity to complete my quest of reading the rest of his entire body of work.

**Things I've Learned About Children** Aug 05 2021 "Things I've Learned About Children" is a collection of articles that appeared in MungBeing Magazine from 2010 to 2015. The theme of each issue is mentioned once or twice but the important thing is that as these articles were written, the babies were not neglected or harmed in any way. What I find interesting is that several of the lessons are repeated again and again, either as a reminder or because I didn't actually learn it the first time around. Such is the nature of baby-raising, I guess. Most of all, I hope you enjoy reading these things and that this collection becomes the most important guidebook in raising your own children.

**The Things I've Left Unsaid** May 14 2022 Here's the diary of a soul who finally found courage to express the truths that must be told. Conveying the ways in which filth trickled by and eroded every piece of humanity left inside. Here's a challenge to the world in all the atrocities it must hide. The forbidden challenge against actions speaking louder than words, here's the voices that haven't been heard. No more lies that must be told, no more anguish left to hold. Here's an opportunity to lift the weight of the world off your back, a first and forlorn possibility to attack. In acknowledgment that truths are filtered thoroughly, let's not be blind to all the carnage that we see, and finally be able to know that this chaos that'll be, is that the chaos surrounding our souls inevitably. Hear the truths in all its lies, take note and hear them through your hearts avertable demise.

*Things I've Been Silent About* Apr 13 2022 Azar Nafisi, author of the international bestseller *Reading Lolita in Tehran*, now gives us a stunning personal story of growing up in Iran, memories of her life lived in thrall to a powerful and complex mother, against the background of a country's political revolution. A girl's pain over family secrets; a young woman's discovery of the power of sensuality in literature; the price a family pays for freedom in a country beset by political upheaval - these and other threads are woven together in this beautiful memoir. Nafisi's intelligent and complicated mother, disappointed in her dreams of leading an important and romantic life, created mesmerising fictions about herself, her family, and her past. But her daughter soon learned that these narratives of triumph hid as much as they revealed. Nafisi's father escaped into narratives of another kind, enchanting his children with classic tales like the *Shahnameh*, the Persian Book of Kings. When her father began to see other women, young Azar began to keep his secrets from her mother. Nafisi's complicity in these childhood dramas ultimately led her to resist remaining silent about other personal - as well as political, cultural, and social - injustices. Reaching back in time to reflect on other generations in the Nafisi family, *Things I've Been Silent About* is also a powerful historical portrait of a family that spans the many periods of change leading up to the Islamic Revolution of 1978-79. It is, finally, a deeply personal reflection on women's choices, and how Azar Nafisi found the inspiration for a different kind of life. This unforgettable portrait of a woman, a family, and a troubled homeland is a stunning book that readers will embrace, a new triumph from an author who is a modern master of the memoir.

**A Few Things I've Noticed** Nov 08 2021 "Our children go to a progressive school which I'm beginning to think means a school that will progressively drive their parents out of their minds." All of the essays in *A Few Things I've Noticed* have one thing in common-Madora Kibbe's humorous slant on modern family life. Whether it's the momentous purchase of a first pet, the pros and cons of children's piano recitals, the irksome lack of desks in today's elementary schools, or just the simple pleasure of hanging clothes to dry on a clothesline, Madora Kibbe finds fun in the smallest details of everyday doings. These essays are short and to the point, a Polaroid picture of the way we are, or should be. A mostly flattering picture too. No red eyes or goofy grins. See if you recognize anyone you know in this written collection of snapshots.

**Things I've Learned from Dying** Apr 01 2021 "Every life is different, but every death is the same. We live with others. We die alone." In his riveting, artfully written memoir *The Autobiography of an Execution*, David Dow enraptured readers with a searing and frank exploration of his work defending inmates on death row. But when Dow's father-in-law receives his own death sentence in the form of terminal cancer, and his gentle dog Winona suffers acute liver failure, the author is forced to reconcile with death in a far more personal way, both as a son and as a father. Told through the disparate lenses of the legal battles he's spent a career fighting, and the intimate confrontations with death each family faces at home, **THINGS I'VE LEARNED FROM DYING** offers a poignant and lyrical account of how illness and loss can ravage a family. Full of grace and intelligence, Dow offers readers hope without cliché and reaffirms our basic human needs for acceptance and love by giving voice to the anguish we all face--as parents, as children, as partners, as friends--when our loved ones die tragically, and far too soon.

Pray Aug 25 2020 'That is why there is NOTHING better than sport' Kevin Pietersen The 2011-12 Premier League season finished on an afternoon so extraordinary that it prompted Kevin Pietersen's tweet. Yet this was just the climax of an incredible season. By May fans of most clubs had been enthralled, appalled, depressed, elated, shocked and enraged. Along the way football had

somehow managed to encompass politics, high finance, the law and matters of life and death. In *Pray Nick* Hornby, author of the classic *Fever Pitch*, offers an entertaining and typically insightful account of this most extraordinary of seasons. Beginning with the weekend of 28 August when the Man Utd demolition of Arsenal 8-2 and the Man City demolition of Spurs 5-1 showed what was to come, he concentrates on a number of games whose significance went beyond the immediate result: the October games with alleged racist incidents, the fairy-tale return of Thierry Henry, the collapse of Fabrice Muamba, the Carling Cup Final where Liverpool's victory only served to point up the club's problems, the unusual (but increasingly more common) 4-4 draw between Man Utd and Everton... It was a season of tumultuous incident and enormous entertainment, a season more glorious than most. Read all about it, and relive it, here.

*Strange Things I've Named* Dec 09 2021 in this book of experimental prose and poetry, Julius Henry unleashes a world of madness; a world where nothing is sacred, every taboo is shattered; where blood hungry satyrs walk backward through liquid streets. *Strange Things I've Named* is a work of uncompromising vision unlike anything you've read before. From the book: I am a man--I am a god--witness the birth of a new form of literature-- witness the rotting corpses of our buried pasts--the soaring fountains of meat and blood--where words flow like water--the cackling jackals laugh at your satire--your emptiness is open--brutal honesty grips you like black cancerous fists--and eyeballs are

cinematic windows--all words are mere words but liquid words excite me--I hold cancer like vodka--see--and uncontrolled visions of bloody orgasms explode in your head--
