Offering a revelatory new perspective on loving relationships, the author of "Hot Monogamy" guides readers through the natural stages of love, high and low, and shows how not to break up before the breakthrough. Somerset Maugham Award winner: Dark early fiction by the author of Nutshell—"A

splendid magician of fear" (The Village Voice Literary Supplement). Taut, brooding, and densely atmospheric, the stories here show us how murder can arise out of boredom, perversity from adolescent curiosity—and how sheer evil can become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times–bestselling and Man Booker Prize–winning author of *Atonement* and *On Chesil Beach* are claustrophobic tales of childhood, twisted psychology, and disjointed family life as terrifying as anything by Stephen King—and finely crafted with a lyricism

and an intensity that compels us to confront our secret kinship with what repels us. "A powerful talent that is both weird and wonderful." —The Boston Sunday Globe "Ian McEwan's fictional world combin[es] the bleak, dreamlike quality of de Chirico's city-scapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb." —The New York Times Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates*

offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. “Happily ever after” is not by chance, it’s by choice— the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy.

Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it’s about both

of you being active and involved. Life is like an airplane that goes really fast. We are only allowed to go forward; we can never turn back. Time makes us old, and love make us sore. There’s a lot of happiness in our lives, but there’s also much sorrow. That is life! That is what makes life so wonderful: happiness sometimes, and sadness other times! Some people might think sadness is not a wonderful thing to keep, and that’s true. But if we only had happiness without any sadness, our lives wouldn’t be that fun anymore. I know sadness feels really bad. It hurts us a lot. Some people even lose their life because of tears, but everybody has to

have some sadness throughout life. We just hope sad times go away faster, and happy moments last longer!

Remember, always smile while facing any emotional issues. It'll make life a lot better! Accept the truth, and always trust yourself. In *Love, Honor and Negotiate: Making your Marriage Work*, family therapist Betty Carter offers a cutting-edge, common-sense approach to helping marriages survive, grow, and flourish: renegotiating the marriage contract. Beginnings and endings overlap in this soaring novel of love and grief from Printz Honor medal winner and National Book Award finalist Deb Caletti. Nothing lasts

forever, and no one gets that more than Tessa. After her mother died, it's all Tessa can do to keep her friends, her boyfriend, and her happiness from slipping away. And then there's her dad. He's stuck in his own daze, and it's so hard to feel like a family when their house no longer seems like a home. Her father's solution? An impromptu road trip that lands them in Tessa's grandmother's small coastal town. Despite all the warmth and beauty there, Tessa can't help but feel even more lost. Enter Henry Lark. He understands the relationships that matter. And more importantly, he understands her. A secret stands between them, but

Tessa's willing to do anything to bring them together—because Henry may just be her one chance at forever. From recording artist and radio host Keith Sweat comes help for anyone struggling with relationship problems, based on his popular radio show "The Sweat Hotel." Gaining its title from Keith Sweat's R&B popular album and single, *Make It Last Forever* offers tools to help couples build and maintain strong, long-lasting relationships. Here is detailed advice on how to better communicate needs and desires to your mate, including suggestions for keeping a relationship romantic and

exciting for both parties. Keith also suggests how to fix, mend, and reinvigorate troubled relationships. Finally, *Make It Last Forever: Dos and Don'ts* reveals the single-most important ingredient of a successful relationship: compatibility. Keith tells readers why it's so crucial, how to find it, and how to sustain it over the long haul. "One of the best guides to enjoying a great love relationship that I have ever read."—Harold Bloomfield, M.D., co-author of *How to Survive the Loss of a Love Who taught you how to love and have a fulfilling, lasting relationship?* The answer is probably "no one." Their love for each other is so intense that they express it whenever they can. Only one person on the horizon who threatens their love. Each of us is, to some extent or other, a reflection of the experiences of

our lives. However, whether and how we succeed is determined at least in part by how we cope with those experiences and what we learn from them. This is the story of a man who, despite a difficult family life and professional setbacks, developed the determination, drive and skills to create a successful business and happy life. Geoff's skills and self-motivation gave him the drive, determination and tenacity to continue a journey through hardship to reach self-fulfillment and, ultimately, success. experts at work today apply the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the

American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points

between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"-- A rural love story with a difference. The New Living Translation breathes life into even the most difficult-to-understand Bible passages, changing lives as the words speak directly to their hearts. Anthony Thiselton's lengthy New International Greek Testament Commentary volume *The First Epistle to the Corinthians* (2000) has become a standard work on 1 Corinthians. In this "shorter" commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels. Thiselton delves deeply into the context and text

of Paul's first Corinthian letter as he suggests, section by section, how the book applies to pastoral and practical issues. He draws vivid parallels between the growing church in Corinth and the twenty-first-century church, demonstrating that today's church also faces a seductive culture of competition and consumerism. The church in Corinth preferred its self-centered theology to the Christ-centered gospel of the wider apostolic church. Paul's response in 1 Corinthians, amplified by Thiselton's commentary, becomes a living, practical, transforming word from God for Christians today. Lara Jean's letter-writing days aren't
