On the Recognition of the Southern Confederation (Classic Reprint) Jan 18 2020
Excerpt from On the Recognition of the Southern Confederation The time has arrived

when it becomes the duty of the governments of Europe to acknowledge that another power is added to the family Of nations. For a considerable period 'the Southern States of America have maintained an established government, which is manifestly in accordance with the free will Of their people. The effort made to prevent their independence is obviously a failure, and if continued can only waste more human life to no purpose. At this moment, the general issue of the second Northern campaign can plainly be seen, and the question arises whether those who are vitally interested, and who have the sufferings of a coming winter in prospect, should remain quiescent whilst another army shall be formed and drilled for a third attempt. If there be any step calculated to bring about peace, that step should be taken whilst' B 2. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Nation and Society Dec 29 2020 "We hope that students will find these readings both challenging and enlightening. By helping students understand that the past as represented in textbooks is constructed from sources such as the ones published here, we hope to open a window not only on developments in Canada's past but also on the discipline of history." From the editors' Preface to the Second edition Offering a variety of historians' interpretations of events in Canada's past since 1867, *Nation and Society: Readings in*

Post-Confederation Canadian History Vol II is a collection of some of the finest scholarly articles, all secondary documents. With these twenty-nine selections, thirteen of which are new to this carefully revised edition, the editors achieve a balanced representation of important social, political and economic topics and events, in all of Canada's regions. This reader may be used in conjunction with Conrad and Finkel's acclaimed two-volume *History of the Canadian Peoples* or their one- volume synthesis *Canada: A National History*, or as a supplement to any survey of Canadian history.

Let's Swallow Switzerland! Dec 09 2021 Why was Switzerland spared a German attack during World War II? Was its existence actually endangered at any time? In *Let's Swallow*

Switzerland, historian Klaus Urner reveals new data uncovered about the actual threats Switzerland faced during the war. Extensive archival research into the events at the Führer's headquarters discloses that Hitler, in cooperation with Mussolini, initiated a surprise pincer operation against Switzerland during the final phase of the French campaign. On June 24, 1940, Army Corps C received orders to prepare for the Special Task Switzerland. In early July, the 12th Army, with nine divisions, was deployed near the Western border of Switzerland. Urner proves that German operational plans were not fictitious designs worked out by a bored staff, as has been claimed, but in fact were serious preparatory measures for an attack. The second half of this fascinating exposé provides a discussion of German economic warfare against Switzerland, revealing that Germany's goal was to control every interaction between Switzerland and the Allies--such attempts continued until the total occupation of France on November 11,

1942. Numerous original documents attesting to Hitler's plans, historic photographs, and a detailed bibliography make this book a fundamental work for understanding Switzerland's difficult predicament during World War II.

"Here is a book which deals with clashes between economic and political factors in the American Revolution as realistically as if its author were dealing with a presidential election."--Social Studies "An admirable analysis. It presents, in succinct form, the results of a generation of study of this chapter of our history and summarizes fairly the conclusions of that study."--Henry Steele Commager, New York Times Book Review

The Confederation Handbook Aug 25 2020

The Night's Dawn Trilogy is one of the most triumphant works of science fiction to appear in decades. Swiftly gathering a worldwide readership, this masterwork of cosmic imagination and storytelling brought to life an entire galaxy of diverse planets and astonishing civilizations. At the core is the Confederation, an assembly of human and alien colony worlds whose cultures, conflicts, and turmoil are described over a Timeline of nearly 600 years. The Confederation Handbook is Peter F. Hamilton's companion guide to the diverse elements in the massive universe he created. Including a full list of characters and their roles and, of course, details of the Timeline itself, this is a must-read for Hamilton's fans.

Canadian History: Confederation to the present Jul 16 2022 "In these two volumes, which replace the Reader's Guide to Canadian History, experts provide a select and critical guide to historical writing about pre- and post-Confederation Canada, with an emphasis on the

most recent scholarship" -- Cover.

Roads to Confederation Sep 18 2022 Roads to Confederation surveys the way in which scholars from different disciplines, writing in different periods, viewed the Confederation process and the making of Canada. Recognizing that Confederation has been traditionally defined as a process affecting only British North America's Anglophone and Francophone communities, Roads to Confederation offers a broader approach to the making of Canada, and includes scholarship written over 145 years. Volume 2 of this collection focuses on three major themes. It presents research from the perspective of Canada's regions, with one chapter focusing

exclusively on the competing understandings of 1867 from the perspective of Quebec. Next, it includes material pertaining to the geopolitical underpinnings of 1867 that addresses the relationship between Confederation, the U.S. Civil War and American expansionism, Great Britain and war in the European theatre. Also included is leading scholarship by Stanley B. Ryerson, Adele Perry, Fernand Dumond, Ian McKay and James W. Daschuk that questions whether Confederation itself was a formative event. Together with its companion volume, this is an invaluable resource for those who wish to deepen their understanding of the historical foundations on which Canada rests.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1882 edition. Excerpt: ... heere. I am held, and so represented to his Majestie, as an opposer of his service and of what may tende to the advancement of those greate dessignes undertaken for his Majestie's advantage heere. It is trew, I can not in my judgement or conscience concurr with some of our greate undertakers, and I see them runne those wayes as will in the end be found so disadvantageous to

his Majestie's service, and so ruinous to this kingdome, as I can not but dissent from them and acknowledge I doe sometimes declare as much, which in duty and as tied by my oath I hold myselfe bound unto. And if this be displeasing, as I finde heere it is, then I have nothing left for me to doe but to retire, which I most seriously desire to doe and shall humbly beseech your Lordship to move his Majestie for leave to withdraw from hence for a time. And if your Lordship find his Majestie will give me leave to come to Court and waite upon him there, I shall presently come and cast myselfe downe at his feete, and not only give him an accompt of my owne actions heere, but present unto him such a trew relacion of the state of his affaires heere as will make him see how extreamely he is misenformed of the condicion of this kingdome. But if your Lordship findes his Majestie thinkes not fitt either to admitt me to his royall presence, or that, by reason of the different sence I have frotn some others of his

affaires heere, my stay may be prejudicial to his service heere, I would willingly retire from hence, and goe and live at Penshurst with my brother Hammond untill I shall see what will become of our treaty and Cessacion heere which is now growen ripe for a conclusion. My Lord of Ormonde goes upon the 23 of this present to meete with the Commissioners from the Rebels at...

[A Confederacy of Dunces](#) Oct 15 2019 One of the BBC's '100 Novels That Shaped Our World' 'My favourite book of all time... it stays with you long after you have read it - for your whole life, in fact' Billy Connolly A monument to sloth, rant and contempt, a behemoth of fat, flatulence and furious suspicion of anything modern - this is Ignatius J. Reilly of New Orleans, noble crusader against a world of dunces. The ordinary folk of New Orleans seem to think he is unhinged. Ignatius ignores them, heaving his vast bulk through the city's fleshpots in a noble crusade against vice, modernity and ignorance. But his

momma has a nasty surprise in store for him: Ignatius must get a job. Undaunted, he uses his new-found employment to further his mission - and now he has a pirate costume and a hot-dog cart to do it with... Never published during his lifetime, John Kennedy Toole's hilarious satire, *A Confederacy of Dunces* is a Don Quixote for the modern age, and this Penguin Modern Classics edition includes a foreword by Walker Percy. 'A pungent work of slapstick, satire and intellectual incongruities ... it is nothing less than a grand comic fugue' *The New York Times*

[Public Men and Public Life in Canada, Vol. 2 of 2](#)
Oct 07 2021 Excerpt from *Public Men and Public Life in Canada, Vol. 2 of 2: The Story of the Canadian Confederacy; Being Recollections of Parliament and the Press; And Embracing a Succinct Account of the Stirring Events Which Followed the Confederation of British North America Into the Dominion of Canada* Whilst it has not been deemed necessary to have a preface of length to this edition of this work it

has been thought advisable by the Author to put his readers on their guard as to dates. My first volume was written ten years before the present volume (1912), and unless some care is taken in comparing the numerous dates, they might, in a rare case, lead to some confusion on the part of the reader. Another point is in my judgment most important. Some of the press seem to have the idea that these two volumes are practically on the same subject. This is an error. Volume I. gives my connection with *Public Men and Public Life in Canada* as a public journalist; Volume II. gives my connection as a member of the first Parliament with all the leading men of Confederation during the first twenty years of Confederation. The two volumes are entirely different, but in the two combined I have endeavored to give the story of the Canadian Confederacy in an accurate but, at the same time, in an interesting manner, which will, it is hoped, be acceptable to the reading public of every part of this already great Canadian

Confederacy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Articles of Confederation Illustrated Nov 20 2022 The Articles of Confederation and Perpetual Union was an agreement among the 13 original states of the United States of America that served as its first constitution.[1] It was approved, after much debate (between July 1776 and November 1777), by the Second

Continental Congress on November 15, 1777, and sent to the states for ratification. The Articles of Confederation came into force on March 1, 1781, after being ratified by all 13 states. A guiding principle of the Articles was to preserve the independence and sovereignty of the states. The weak central government established by the Articles received only those powers which the former colonies had recognized as belonging to king and parliament.[2]The document provided clearly written rules for how the states' "league of friendship" would be organized. During the ratification process, the Congress looked to the Articles for guidance as it conducted business, directing the war effort, conducting diplomacy with foreign states, addressing territorial issues and dealing with Native American relations. Little changed politically once the Articles of Confederation went into effect, as ratification did little more than legalize what the Continental Congress had been doing. That body was

renamed the Congress of the Confederation; but most Americans continued to call it the Continental Congress, since its organization remained the same.[2]As the Confederation Congress attempted to govern the continually growing American states, delegates discovered that the limitations placed upon the central government rendered it ineffective at doing so. As the government's weaknesses became apparent, especially after Shays' Rebellion, some prominent political thinkers in the fledgling union began asking for changes to the Articles. Their hope was to create a stronger government. Initially, some states met to deal with their trade and economic problems. However, as more states became interested in meeting to change the Articles, a meeting was set in Philadelphia on May 25, 1787. This became the Constitutional Convention. It was quickly agreed that changes would not work, and instead the entire Articles needed to be replaced.[3] On March 4, 1789, the government under the Articles was replaced

with the federal government under the Constitution.[4] The new Constitution provided for a much stronger federal government by establishing a chief executive (the President), courts, and taxing powers.

The Peoples of Canada Feb 17 2020 This second of two volumes, along with The Peoples of Canada: A Pre-Confederation History, surveys the social, cultural, political, and economic history of Canada from Confederation to the present. This second edition bolsters the social history content, while maintaining the political framework and includes much more material on Aboriginal peoples, women, and ethnic minorities.

Secret Journals of the Acts and Proceedings of Congress, Vol. 2 Nov 08 2021 Excerpt from Secret Journals of the Acts and Proceedings of Congress, Vol. 2: From the First Meeting Thereof to the Dissolution of the Confederation, by the Adoption of the Constitution of the United States Resolved, That a committee of five be

appointed for the sole purpose of corresponding with our friends in Great Britain, Ireland, and other parts of the world and that they lay their correspondence before Congress when directed. Resolved, That this Congress will make provision to defray all such expenses as may arise by carrying on such correspondence, and for the payment of such agents as they may send on this service. Combat, Memory and Remembrance in Confederation Era Canada Apr 20 2020

Interpreting Canada's Past Mar 20 2020 In this revised and streamlined fourth edition of *Interpreting Canada's Past: A Post-Confederation Reader*, authentic primary documents and critical academic articles allow students to delve into this nation's fascinating history. Organized both chronologically and

thematically, each chapter begins with an introduction that offers context for the documents that follow and includes an extensive list of questions for consideration and related readings. The fourth edition includes over 35 new primary and secondary documents, a new chapter on 'marketing the nation', and an enhanced treatment of visual history with examples from popular consumer culture and fine art throughout. This celebrated post-Confederation reader is the second volume of a two-volume set of readers that has been created to accompany J.M. Bumsted's two-volume text *The Peoples of Canada* and his single volume text *A History of the Canadian Peoples*.

The Constitutional History of the United States, Vol. 1 of 2 Jan 10 2022 Excerpt from *The Constitutional History of the United States, Vol. 1 of 2: From the Adoption of the Articles of Confederation to the Close of Jackson's Administration* After the abdication of James, and the establishment of William, great and arduous

duties were performed by the House of Commons. They exercised a beneficial influence, which is readily perceptible, from the motive exhibited in limiting the revenue; their jealousy of a standing army; their interference in the Irish forfeitures, for which, however, they have received the censure of eminent writers, whose justification may be found in the indignation often expressed against William, in granting away one million of acres belonging to those Irish who had fought on the Side of James. From this hurried notice of the progress of the power of the House of Commons, it is easy to see the vast influence they exerted in giving a tendency to the mind, an impetus to the sentiments, of the people, in the direct and onward track for freedom, whose representative they were proud to be, as they instilled in their hearts a warm and devoted attachment to justice and liberty. It was in the House of Commons the first seeds of free principles were planted, which, by gradual maturity, have made England a country of

permanent and most enlightened institutions, compared with all the governments of the Old World. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Enemies Jun 15 2022 The Kazier Empire has shelved plans for an immediate invasion of their democratic neighbor, the Pan-Galactic Planetary Confederation. They have, with the help of a lone ConFleet science officer, fended off an attack by the Talfi Empire, and seem focused on them for the moment. But the moment could pass. The two enemies could ally to destroy the PGPC. Kim Arai-Kemal returns to the PGPC-Kazier exchange program, to try to cement the tentative détente into a lasting de-escalation of tension. But factions in the Imperial government, factions in the Imperial Fleet and in the

Emperor's own family have been gathering to thwart any progress toward peace. Kim has enemies closer to home as well. The Diplomatic Corps wants silenced, ConFleet Military Intelligence wants her in prison, her mother is plotting against her with the Manzelami government and Admiral Tama, well, that Farehan is swishing her green-striped tail and no one's plans are safe. Who are your enemies? The alien species who is shooting at you? The alien species whose political machinations are going to get you killed? The powerful forces of your own country, who want to punish you for one small mistake? Your family, who think you're a mass murderer? But sometimes the enemies that you can see take a smaller toll than the ones you can't. And sometimes the enemies you can see - aren't enemies at all.
