A Quest of Heroes (Book #1 in the Sorcerer's Ring) Mar 12 2022 "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles,

ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age,

of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, A MARCH OF KINGS, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found."

*--Paranormal Romance Guild {regarding Turned}
"Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again."*

--vampirebooksite.com (regarding Turned) "A great plot, and this especially was the kind of book you will have trouble putting down at night. *The Wicked Years Complete Collection Apr 20 2020 The New York Times Bestseller and Basis for the Tony-Winning Hit Musical Newly Reissued "An outstanding work of imagination."
--USA Today When Dorothy triumphed over the Wicked Witch of the West in L. Frank Baum's*

classic tale, we heard only her side of the story. But what about her arch-nemesis, the mysterious Witch? Where did she come from? How did she become so wicked? Gregory Maguire has created a fantasy world so rich and vivid that we will never look at Oz the same way again. *Wicked* is about a land where animals talk and strive to be treated like first-class citizens, Munchkinlanders seek the comfort of middle-class stability, and the Tin Man becomes a victim of domestic violence. And then there is the little green-skinned girl named Elphaba, who will grow up to become the infamous Wicked Witch of the West—a smart, prickly, and misunderstood creature who challenges all our preconceived notions about the nature of good and evil.

Vampires rule the darkness in a predator-eat-predator world rife with dangers beyond imagining – and it's Rachel Morgan's job to

keep that world civilized. A bounty hunter and witch with serious sex appeal and an attitude, she'll bring 'em back alive, dead ... or undead. The Good, the Bad, and the Undead It's a tough life for witch Rachel Morgan, sexy, independent bounty hunter, prowling the darkest shadows of downtown Cincinnati for criminal creatures of the night. She can handle the leather-clad vamps and even tangle with a cunning demon or two. But a serial killer who feeds on the experts in the most dangerous kind of black magic is definitely pressing the limits. Confronting an ancient, implacable evil is more than just child's play – and this time, Rachel will be lucky to escape with her very soul. Every Which Way But Dead Rachel Morgan's back! Bestselling author Kim Harrison returns with a new supernatural adventure that fans of Laurell K. Hamilton and Charlaine Harris won't want to miss. Some days, you just can't win. Witch and former bounty hunter Rachel Morgan's managed to escape her corrupt company, survive living with a vampire, start her own runner service, and face down a vampire master. But her vampire roommate Ivy is off the wagon, her human boyfriend Nick is out of town indefinitely and doesn't sound like he's coming back while the far-too-seductive vampire Kisten is looking way too tempting,

and there's a turf war erupting in Cincinnati's underworld. And there's a greater evil still. To put the vampire master behind bars and save her family, Rachel made a desperate bargain and now there's hell to pay—literally. For if Rachel cannot stop him, the archdemon Algaliarept will pull her into the sorcerous ever-after to forfeit her soul as his slave. Forever. *A Fistful of Charms* The evil night things that prowl Cincinnati despise witch and bounty hunter Rachel Morgan. Her new reputation for the dark arts is turning human and undead heads alike with the intent to possess, bed, and kill her — not necessarily in that order. Now a mortal lover who abandoned Rachel has returned, haunted by his secret past. And there are those who covet what Nick possesses — savage beasts willing to destroy the Hollows and everyone in it if necessary. Forced to keep a low profile or eternally suffer the wrath of a vengeful demon, Rachel must nevertheless act quickly. For the pack is gathering for the first time in millennia to ravage and to rule. And suddenly more than Rachel's soul is at stake.

What Money Can't Buy Feb 28 2021 Should we pay children to read books or to get good grades? Is it ethical to pay people to test risky new drugs or to donate their organs? What about hiring mercenaries to fight our wars, outsourcing inmates to for-profit prisons, auctioning admission to elite

universities, or selling citizenship to immigrants willing to pay? Isn't there something wrong with a world in which everything is for sale? In recent decades, market values have crowded out nonmarket norms in almost every aspect of life—medicine, education, government, law, art, sports, even family life and personal relations. Without quite realizing it, Sandel argues, we have drifted from having a market economy to being a market society. In *What Money Can't Buy*, Sandel examines one of the biggest ethical questions of our time and provokes a debate that's been missing in our market-driven age: What is the proper role of markets in a democratic society, and how can we protect the moral and civic goods that markets do not honour and money cannot buy?
