Customary International Humanitarian Law Mar 01 2023 Customary International Humanitarian Law, Volume I: Rules is a comprehensive analysis of the customary rules of international humanitarian law applicable in international and non-international armed conflicts. In the absence of ratifications of important treaties in this area, this is clearly a publication of major importance, carried out at the express request of the international community. In so doing, this study identifies the common core of international

humanitarian law binding on all parties to all armed conflicts. Comment Don:RWL.

Acts Study Notes Part 1 Aug 31 2020 The book of Acts records the spread of Christianity from Jerusalem to Rome. Part 1 of Acts Study Notes by Bob Yandian records the outpouring of the Holy Spirit on the Day of Pentecost, the healing of the lame man, and the ministry and martyrdom of Stephen. It continues with Saul's persecution of the church and dramatic conversion, the revival among the Gentiles, the decline of the influence of the church at Jerusalem due to legalism, and the growing influence of the church at Antioch. Acts Study Notes Part 1 is a verse-by-verse teaching of Acts 1-14 from the personal study notes of Bob Yandian that will provide great insight into the establishment of the early church.

1 Cor 12-14 Jun 21 2022 The present book establishes the literary structure of 1 Cor 12-14 through the consideration of a multiplicity of literary indications and their convergence. The determination of the structure constitutes an important step in understanding both the logic of Paul's argumentation in general and the function of chap. 13 in particular, moreover, this approach sheds light on questions related to the authenticity of some sections of 1 cor 12-14. After a critical review of how recent scholars have construed the structure of 1 cor 12-14 (chaps. 1-2), the study examines those literary features of 1 Cor 12-14 that suggest a new way of viewing the structural organization of the text (chap. 3). Finally, the theological consequences to be derived from the adoption of the proposed structure are presented (chap. 4). The method employed here for uncovering the literary structure of the text through an objective and rigorous examination of its literary indications is that of Fr. Albert Vanhoye S.J. The present work is therefore offered as a practical and detailed example of the method in question. Jose Enrique Aguilar Chiu born in 1960 in Acapulco, Mexico,, obtained his doctorate in sacred scripture at the Pontifical Biblical Institute in Rome, Italy. He has taught at the seminary of New York and the Seminary of Philadelphia.

Elder Mistreatment Apr 07 2021 Since the late 1970s when Congressman Claude Pepper held widely publicized hearings on the mistreatment of the elderly, policy makers and practitioners have sought ways to protect older Americans from physical, psychological, and financial abuse. Yet, during the last 20 years fewer than 50 articles have addressed the shameful problem that abusers want to conceal. Elder Mistreatment in an Aging America takes a giant step toward broadening our understanding of the mistreatment of the elderly and recommends specific research and funding strategies that can be used to deepen it. The book includes a discussion of the conceptual, methodological, and logistical issues needed to create a solid research base as well as the ethical concerns that must be considered when working with older subjects. It also looks at problems in determination of a report's reliability and the role of physicians, EMTs, and others who are among the first to recognize situations of mistreatment. Elder Mistreatment in an Aging America will be of interest to anyone concerned about the elderly and ways to intervene when abuse is suspected, including family members, caregivers, and advocates for the elderly. It will also be of interest to researchers, research sponsors, and policy makers who need to know how to advance our knowledge of this problem.

Cochrane Handbook for Systematic Reviews of Interventions Mar 18 2022 Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and

resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library (www.thecochranelibrary.com). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all those who want to understand the role of systematic reviews, critically appraise published reviews or perform reviews themselves.

Soon, Peter becomes engulfed in an unexpected role observing the observers of this shadowy organization. He interviews these Witnesses with their features cloaked and voices masked. The conversations range from friendly to outright hostility. Along the way, the reader experiences a sociological and historiographic framework enveloped in a science fiction tale. This explores the healthy and dysfunctional aspects of multiple societies of this dynamic imaginary planet. The Religion of Ruskin, the Life and Works of John Ruskin Feb 05 2021 Excerpt from *The Religion of Ruskin, the Life and Works of John Ruskin: A Biographical and Anthological Study* In preparing Books II to VI of this Authology the writings of Ruskin have first been arranged, as far as seemed practicable, into groups of subjects - then quoted in the chronological order of the works in each group. The reader may thus find the progress of the great Author's religious mind in his own words. All Ruskin's larger works were arranged by himself, or under his direction, into volumes, parts, sections, chapters and paragraphs, to which are often attached lengthy prefaces and appendices. The method adopted in the following selections is to give the name and number of the volume at the head of the chapter, letting the

Author's own paragraph number stand at the beginning of each quotation, and giving the further references at the end. Thus on page 105 of this volume will be found paragraphs on "Sensuality Fatal to Beauty in Art" The numbers 21 and 24 are those of Ruskin's own paragraphing and this, with Pt. III, Sec. 1, Ch. 14, puts the reader in possession of the full reference, viz.: Modern Painters, Vol. II, Part III, Section 1, Chapter 14, Paragraphs 21, 24. In some instances, where the quotations are continuous, the references to the chapters, etc., are only given at the end of several, but the numbers of the paragraphs are always given. This is especially notable of Vol. IV, Modern Painters. In still other instances no reference is needed other than the number of the paragraph of the work from which it is taken. It must be understood that the topical headlines are our own and not Ruskin's. "Ruskin's Complete Works." "Life of John Ruskin," Collingwood. "John Ruskin," Frederick Harrison. "John Ruskin, Social Reformer," J. A. Hobson. "An Introduction to the Writings of John Ruskin," Vida D. Scudder. "Letters to the Clergy," F. A. Malleon. "Letters to M. G. and H. G." "Letters of Ruskin to Chas. Eliot Norton." "Modern Men of Letters," J. H. Friswell. "Bible References," Mary and Ellen Gibbs. "Art and Life," W. S. Kennedy. "Literary Leaders of Modern England," W. Covenant Renewal at Gilgal Jul 22 2022 Covenant Renewal at Gilgal handles one of the points at which the integrity of the Old Testament has been most sharply attacked. Dr. Vannoy has examined all the widely scattered discussion bearing on the Bible verses with which he deals, and has carefully and fairly examined all the arguments presented by German, Dutch, French, and English scholars. --Allan A.

MacRae, President and Professor of Old Testament Biblical School of Theology ""In Covenant Renewal at Gilgal Dr. Vannoy has subjected a controversial section of narrative to close exegetical and form-critical analysis to bring into helpful new light the establishment of the monarchy in Israel. by illuminating the special function of the Gilgal assembly as a covenant renewal ceremony called by Samuel to insure covenant continuity at a time of transition in leadership and in theocratic administration, and after Israel's rebellious abrogation of the covenant in asking for a king, this study brings important new light to covenant history. In doing so, it contributes significantly to our knowledge of the history of redemption, and should lay to rest a number of negative critical judgments that have been around for a long while. --John H. Stek, Associate Professor of Old Testament Calvin Theological Seminary In Covenant Renewal at Gilgal Dr. Vannoy provides a very solid and valuable treatment of the key historical-literary problem of the origin and significance of the monarchy as an institution within the Old Testament theocratic kingdom, developing a sound solution through a valid application of the insights arising from the illumination of the divine covenants of the Bible by ancient treaty statecraft. --Meredith G. Kline, Professor of Old Testament Gordon-Conwell Theological Seminary J. Robert Vannoy is Professor Emeritus at Biblical Seminary in Hatfield, Pennsylvania. Dr. Vannoy holds the Th.D. in Old Testament from the Free University in Amsterdam.

A total of 77 questions carefully phrased in this book help students to practise on possible question stems that may appear in IGCSE Board Examination. Teachers can use these questions in school examinations to familiarise the pupils with IGCSE exam wording and phrasing of the questions. Second, the book provides 14 Model Responses; one response on each poem. Studying these 14 essays enables the students to learn the main ideas in each poem and certain stylistic techniques used by the poets. These essays are also written following PETER/PEEP/PQC structure that is practised and most suggested in schools. In fact, these essays can be considered as samples to develop students own style of essay writing skills; varying the ideas and views based on the question stems asked in IGCSE Board Examination. Helps you understand poems and develop your own perspectives and views Helps to get familiar of possible IGCSE question stems Helps you to learn writing essays in PETER/PQC/PEEP structure

Frcs Section 1 General Surgery Feb 23 2020 This revision book is an aid to those preparing for the FRCS General Surgery Section 1. The topics and chapters are taken directly from the Intercollegiate Surgical Curriculum. The philosophy of this book is to focus on the level of knowledge and the approach that would be expected of the better candidates as they approach the end of their training and make the transition into consultants. In addition to the acquisition of knowledge through the process of tackling questions, the book will hopefully identify to the reader areas gaps in their knowledge base for which further study is required. Various techniques including the use of diagrams and tables are utilised to explain key facts. As per the curriculum, the book is organised into chapters in accordance with the syllabus, allowing less familiar topics such as relevant aspects in urology and gynaecology to be covered. Topics such as Gastrointestinal, HPB, Vascular, Breast and Endocrine Surgery are understandably covered in greater depth given their common occurrence in the examination. Questions are presented in a single best answer and extended matching item format, mirroring those that the candidate will encounter during the examination. This book is useful for candidates in both the early and late stages of their revision for the examination. Early familiarity with the range and depth of topics may help guide further self-directed learning. Those in the latter stages of revision can use the questions to build confidence and reinforce their knowledge. Each chapter is written by an authoritative author alongside the book editor to ensure it is relevant and informative for the reader.
