[A Most Peuliar Toy Factory](#) Nov 15 2021 Bestselling author Alex Bell serves up mystery and dark humour aplenty in this Roald Dahl-esque middle-grade tale of toys brought to life. Shadows of teddy bears flit across windows. Dolls whisper behind closed doors. Something has gone very wrong at Hoggle's Happy Toys. But five years after shutting its doors, the toy factory is opening again, and Tess Pippas has found herself a job there. As she and her siblings start their first day of work, they are about to discover what dark secrets are lurking inside the factory's walls ...A creepy mystery adventure packed with Willy Wonka-inspired humour and characters.

[The Sparkle Star Toy Factory](#) Oct 15 2021 We have all heard of the magic of Christmas. The power can be felt each year as December moves toward the

winter solstice. The Sparkle Star Toy Factory is a story of that magic. It is the story of belief as seen through the eyes of young Jeremy Chaser and his pet hamster Candy. When Candy Chaser got out of his cage and ran across the dinner table he nearly gave Mrs. Kingsley a heart attack. Candy was smart, and Candy was fast. The hamster loved to run. He loved the golden wheel in his cage. Running gave him a sense of freedom and power. He was adorably cute with his soft white fur and bright blue eyes. But The Kingsley's were not very forgiving. They wanted to sue. So, despite Jeremy's great sadness, the Chaser's released Candy outside of the old abandoned toy factory. Jeremy prayed and sent off a letter to Santa asking that his beloved pet return before Christmas. Meanwhile Candy discovered a dusty fantasy land inside the old factory. There was something amazing here. Still, there were dangers. In a dark storage room the hamster was delighted to discover a beautiful running wheel inside an old machine. Magic exploded when Candy ran on that magnificent gear. Yes, there was power when he ran, power enough to drive this Cyber Animated Network Entity; CANE. Candy and CANE united to become best of friends. Yet the magic had only just begun. Christmas was coming. A touch of Santa Clause and the spirit of The Sparkle Star Toy Factory sprinkled with the belief of Jeremy, Candy, and CANE could change the world.

And I, Geronimo Stilton, am not a big cheese when it comes to getting around the Big Apple!

Santa's Husband Aug 01 2020 Offering a fresh twist on Kris Kringle, a clever yet heartfelt book that tells the story of a black Santa, his white husband, and their life in the North Pole. Everyone knows that Santa Claus is jolly, but in Santa's Husband, this cherished symbol of the holiday season is also black and gay, and married to an equally cheery man. In this witty and sweet illustrated Christmas tale, humor writer Daniel Kibblesmith introduces us to Mr. and Mr. Claus, and gives us a glimpse of their lives together. We see the Clauses sitting by the fire at their cozy North Pole home, vacationing at the beach, having an occasional disagreement, celebrating their wedding day, and comforting each other when some loudmouth people on television angrily dispute Santa's appearance and lifestyle. In the weeks before Christmas, Santa's husband helps with all the pre-Christmas work, from double-checking lists, to feeding the reindeer (organic gluten-free grains, of course), to negotiating labor disputes with the restive workshop elves. At the height of toy-making season, he even fills in for his busy hubby at the mall to ensure every child can meet the Big Guy in the red suit, and give him their wish list. As this charming book reminds us, Santa Claus can come in all shapes and colors and sizes—just like the children and families he visits all over the world each Christmas eve. Featuring beautiful watercolor pictures drawn by artist AP Quach, Santa's Husband is a delightful gift for readers of all ages.

Christmas in Distress Feb 16 2022 Mind you, this is not your typical Christmas story. Santa is not going to send any gift to you this year, next year and probably years after. Find out why.

The Dolls' Christmas Jan 06 2021 Christmas is a special time at Pumpkin House, where two dolls named Sethany Ann and Nicey Melinda live. Every Christmas they invite their friends to join them for an elegant dinner party and a marionette show. The dolls have fun getting ready for their party: They send out invitations to their guests by Sparrow Post, decorate their very own Christmas tree with silver nutmegs and golden pears, and prepare doll-size cookies and other treats for the party. Then at "candlelight-time" on Christmas Day the guests begin to arrive, and the evening isn't over until the last carol has been sung around the tree. Tasha Tudor's delightful tale captures all the charm and magic of an old-fashioned Christmas shared with your dearest friends. Beautifully illustrated in nostalgic watercolor paintings, this eBook with audio is sure to be treasured.

Toy Mountain Feb 25 2020 Sam is tired of his toys. Why would he want his Grandma's old trainset and teddy when there's a toy factory high up in the clouds that makes rumbly red toys, grumbly green toys and so much more? In this important story about reducing waste and taking responsibility for the environment, Sam is about to find out. Toy Mountain is a quirky story about 5-year-old Sam's chance to become a toy tester for the Tiny Hands Toy factory. After Sam signs up for his exciting new task, he quickly accumulates a pile of plastic, clunky toys, discarding the well-loved toys handed down to him from his Grandma. But one by one and plonk! by plonk!, his shiny new toys start to break. Soon enough, Sam has a mountain of broken toys that just won't stop growing! This colourful and whimsically illustrated story highlights the waste that results from 'consumer culture', and the value of looking after our belongings. Inspired by the author's childhood of hand-me-down toys, it empowers children to take sustainability into their own hands through their toy purchases. This is a vitally important message in a world where we generate 6.3 billion tonnes of plastic

each year, 79% of which goes into landfill. Children and adults alike will find themselves cheering Sam along as he rescues his treasured old toys from being lost under a growing mound of broken plastic, and realises why they're so special after all.

Oddkins Mar 08 2021 The #1 New York Times bestselling author's visually stunning story about a magical band of living toys who learn to overcome their fears. Toymaker Isaac Bodkins created the Oddkins, a group of living toys, for very special children who face difficulties in life and need true friends. There's Amos, the brave stuffed bear; Skippy, the rabbit who dreams of being a superstar; Butterscotch, the gentle, floppy-eared pup; Burl the elephant; the wise and scholarly Gibbons; and Patch the cat. The Oddkins are given to children to inspire, support, and love them, especially during times of adversity. Only now, the toys themselves are the ones who need help. Before he dies, Mr. Bodkins delivers a dire warning to Amos the bear: Watch out for an evil toymaker and his dangerous creations! Locked up in the dark sub-basement, another group of toys is climbing out of boxes and crates and coming to life as well. These bad toys like Rex and Lizzie, the puppets with no strings; Gear, the vicious robot; and

Stinger, the horrid buzzing bumblebee with his knife-sharp stinger—were made to hurt children, not help them. Leering, laughing, and deadly, they are let loose into the world by a terrifying force. Frightening as it may be, the Oddkins must go on a journey to find Colleen Shannon, Mr. Bodkins's chosen successor as a life-giving toymaker and the only person who can save them. The stormy night is perilous and the Oddkins face a danger that threatens not only their magic . . . but the magic in us all.

A Christmas Tale Jun 10 2021 It was Christmastime on Mouse Island, and I couldn't wait to celebrate with my friends and family. Until I learned that they were all traveling out of town for the holidays, and I'd be spending Christmas alone! I was depressed, down, despondent, and starting to feel like a real grinch! I wandered the streets of New Mouse City, feeling sorry for myself. But then I discovered an amazing surprise that taught me the true meaning of Christmas.

Frostie's 12 Crazy Days of Christmas Dec 25 2019 Every Christmas season is crazy, when you own a toy store. This story tells a tale, of when things went very wrong at Frosties Toy Store. First there was Holly's Clinker, Clunker, Flop. Then Mr. Cotton Puff's toy factory got all of Frosties toy orders messed up. For every order Frosties received was wrong, when they ordered a This, instead they got a That. With everything going so wrong, Mr. Frostie feared that there would be no toys for his customers to buy this year. But sometimes a This, can become a That, when you change the way you see things. Sing along and learn how Mr. Frostie made the best of everything.

Mouse Overboard! (Geronimo Stilton #62) Nov 03 2020 My family and I, Geronimo Stilton, were invited to Lisbon, Portugal, to retrace the journey of the great explorer Vasco da Gama. Charles Dickens's Victorian classic - at an easy-to-read level for readers of all ages!

The Toymakers Feb 04 2021 Do you remember when you believed in magic? An enchanting, magical novel set in a mysterious toyshop - perfect for fans of Erin Morgenstern's *The Night Circus* and Stephanie Garber's *Caraval* by way of Jessie Burton's *The Miniaturist* It is 1917, and while war wages across Europe, in the heart of London, there is a place of hope and enchantment. The Emporium sells toys that capture the imagination of children and adults alike: patchwork dogs that seem alive, toy boxes that are bigger on the inside, soldiers that can fight battles of their own. Into this family business comes young Cathy Wray, running away from a shameful past. The Emporium takes her in, makes her one of its own. But Cathy is about to discover that the Emporium has secrets of its own... 'engaging and enchanting ... a fairytale for adults, with all the wonder and terror that that entails...it is the sense of joy that lingers in this fine book.' The Observer An EBook Number 1 bestseller with over 400 5* reviews - readers are enchanted by this magic tale: 'If you only buy one book this year - buy this one' 'As if Terry Pratchett has come back to life Disney Toy Story style' 'Best book I've read for many years' 'A book to lose yourself in'

The Santa Toy Story Apr 08 2021 The Santa TOY Story is a new and exciting series in the Santa Claus saga. Written for the whole family and especially for kids ages five to eleven. Products and music are also available:

www.TheSantaTOYStory.comIt was almost time for Santa to embark on his tireless journey around the world and make sure every child's wish was fulfilled and that every kid had joy in their hearts. There was nothing that would hurt Santa more than knowing one single child had been missed and for this very reason, he was the only person in the world who could do this enormous job but not without the help of his magical team of elves and fairies. Yes, the fairies of the far north had joined with Santa and in this special story you will soon find out why All year long Santa had been planning for this special day and it was now almost time as he walked towards the fireplace where he would sit every night with his favorite group of elves who were in command of making sure the right toys were being made and that the absolute correct wishes would be fulfilled on Christmas day. Gifts and presents did not come only in material form but also in the form of a wish and nothing could be missed to make sure every Christmas a perfect Christmas. The job was getting even more difficult as the world grew bigger every year and more and more children were being born but Santa had full confidence in himself and his team. His precious reindeer and his elite team of magical elves would command an army of workers throughout the year, and the toy factory ran twenty-four hours a day to make sure they would not fail this

Christmas. As usual, Santa did his rounds around the elf village in the very far North Pole, making sure that everything was in perfect order. That the sleigh was in good working condition, that the reindeer were well-rested, and also that every single toy was accounted for according to the long list that was managed by Alabaster Snowball. He was smart and strict and had his eyes on every child's name on the planet. But this Christmas there were a few surprises installed for Santa that would test his ability and bring him to the brink of failure. Could he overcome the obstacles he never expected would happen?
