**Honda K-Series Engine Swaps Jun 07 2021** The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's where the engine swappers come in. In *Honda K-Series Engine Swaps*, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. *Honda K-Series Engine Swaps* will tell you everything you need to know.

**You Are Here Feb 21 2020** INSTANT NEW YORK TIMES BESTSELLER A new book from #1 New York Times bestselling author Jenny Lawson, destined to be a classic—part therapy, part best friend, part humor, part coloring book. When Jenny Lawson is anxious, one of the things she does is to draw. Elaborate doodles, beautiful illustrations, often with captions that she posts online. At her signings, fans show up with printouts of these drawings for Jenny to autograph. And inevitably they ask her when will she publish a whole book of them. That moment has arrived. *You Are Here* is something only Jenny could create. A combination of inspiration, therapy, coloring, humor, and advice, this book is filled with Jenny's amazingly intricate illustrations, all on perforated pages that can be easily torn out, hung up, and shared. Drawing on the tenets of art therapy—which you can do while hiding in the pillow fort under your bed—*You Are Here* is ready to be made entirely your own. Some of the material is dark, some is light; some is silly and profane and irreverent. Gathered together, this is life, happening right now, all around, in its messy glory, as only Jenny Lawson could show us.
