Lara Perryman has spent her life carefully planning and saving for her future. She is looking forward to the prospect of spending the rest of her days in comfort in a leisure village in Wiltshire and the adventure that her new life will bring. But when long-standing arrangements crumble, her situation quickly becomes worrying. With her dreams in disarray, Lara makes friends with the other residents and finds herself entangled in the ups and downs, triumphs and tragedies of her new community, hoping against hope that her independence will one day be restored. Cassie is a popular girl and she knows it. In fact, when she's asked to define the person that she is for her school yearbook, she ends up choosing that very word. But popularity can be a fickle thing. When Cassie starts to learn this, she realizes that everything she had built for herself is about to come crashing down around her. First in the Wild series from the New York Times bestselling author, a captivating tale of forbidden—but irresistible—love in the Old West. Stephanie Helton has long heard tales of the white boy the Navaho kidnapped and called Runner, impressed by his speed. Now he is a man, destined to be his adopted people's leader. Thanks to her father's status with the Santa Fe Railroad, Stephanie has been hired to photograph the enchanting Southwest—and will soon meet Runner in the flesh. An inexplicable thrill runs through her at the idea—but the reason becomes clear the moment she and the powerful, darkly sensual man lock eyes. The force between them can only lead to stolen kisses and overwhelming desire . . . But as the railroad betrays the Navaho nation, Runner soon finds his soul in torment. Can he lead his people yet join his destiny with this woman? Stephanie knows only that her heart may break. For how can she be both Runner's love, and his enemy . . . This exciting approach includes classroom-tested activities sure to save you hours of valuable preparation time. Written by USA Today bestselling author Cassie Alexandra. After a couple of mind-blowing encounters with Taylor (AKA Tail) Adams, a notorious hell-raising womanizer, Lauren Macey discovers that she's pregnant with the biker's child. Knowing that the MC lifestyle isn't what she wants for their baby, and that Tail isn't exactly "father" material, Lauren chooses to keep it a secret. This proves challenging, especially when she realizes that neither of them are ready to end their steamy affair. This is a 37k Word Novella. It can be read as a stand-alone. No cliff-hanger. This story contains crude language, sexual situations, and violence. Is not suitable for readers under the age of 18. Please do not buy if any of this offends you. love with her. Cassie Palmer, the world's chief clairvoyant, just can't seem to stay away from trouble. After trying to come to an agreement with the Silver Circle - the magical organisation that's been trying to kill her for years - she finds herself kidnapped by one of its members and swept away in the ley line system, a series of magical currents that occupies the space between worlds. Cassie manages to escape but, fearing for her safety, she decides to invest in a magical device for protection. However, all she can afford is a statue that grants wishes . . . But what Cassie doesn't realize is that the statue doesn't always grant wishes the way the wisher would like. And when she wishes for the strength to shift herself and companion Pritkin away from a dangerous fight, the statue grants the wish by switching her into Pritkin's body and him into hers. And that's when the real trouble starts . . . Twenty-three-year-old hockey stud Logan Pelletier is having the time of his life as the ultimate bachelor. It's all about hockey and living it up with his friends. He has no time for love, let alone a relationship. Until a spunky, hockey-playing stripper dances into his life... and his bed. Miss independent Cassidy Reynolds is already 0-2 in the marriage department. And the twice divorced twenty-four year old isn't looking for lucky number three. She's focused on hockey and getting a college degree. Stripping is just a means to an end, but when her friends from the Alaska Blizzard hockey team start hanging out at the club, she knows it won't be long before they figure out her secret. As Logan and Cassie blur the lines, will it be game over for their friendship or will it be the start of something more?

In this story of erotic temptation and total surrender, a powerful man gives his dream girl a new beginning. Running from a troubled past, Sandra Barry spent years hiding out in New York City, finding satisfaction and even a sense of community as a sub at a large BDSM dungeon. But when a stalker joins the dungeon posing as a Dom, he crosses her personal boundaries, giving her no choice but to return home to Arizona. Seeking refuge once again in the kink lifestyle, Sandra meets a sexy new Dom whose tutelage drives her wild—although there's something familiar about him she just can't place. As a teenager, Brent Weston was a nerd. Now he owns the hottest dungeon in Phoenix, enjoying the power and success he's always craved. All that's missing is the right woman to share it with. Then one day Sandra, his secret high school crush, walks into his club. She's just as beautiful as he remembers. She's also scared as hell. Brent has been waiting for this moment, and now that Sandra's in his sights, he'll do anything to protect her, pleasure her—and prove that he's the only master worthy of her devotion. Praise for My Obsession “Highly recommend! I will definitely be adding Cassie Ryan to my list of favorite authors.”—Right Side 40 “I was seriously engrossed in this book and I will be waiting for the next book! This eBook includes a special message from the editor, as well as an excerpt from another Loveswept title. She almost caught him once. Now, he's back. For three years, Investigator Cassie Dewell has been on a hunt for a serial killer known as the Lizard King whose hunting grounds are the highways and truck stops where runaways and prostitutes are

most likely to vanish. Cassie almost caught him...once. Working for the Bakken County, North Dakota sheriff's department, Cassie has set what she believes is the perfect trap and she has lured him and his truck to a depot. But the plan goes horribly wrong, and the blame falls on Cassie. Disgraced, she loses her job and investigation into her role is put into motion. At the same time, Kyle Westergaard, a troubled kid whom Cassie has taken under her wing, has disappeared after telling people that he's going off on a long-planned adventure. Kyle's grandmother begs Cassie to find him and, with nothing else to do, Cassie agrees—all the while hunting the truck driver. Now Cassie is a lone wolf. And in the same way that two streams converge into a river, Kyle's disappearance may have a more sinister meaning than anyone realizes. With no allies, no support, and only her own wits to rely on, Cassie must take down a killer who is as ruthless as he is cunning. But can she do it alone, without losing her own humanity or her own life? Paradise Valley continues the Highway Quartet series from bestselling author C. J. Box. After moving into a leisure village in Wiltshire, Cassie was looking forward to some peace. But when a girl arrives claiming to be her granddaughter, the door to the past is wrenched painfully open. electrifying novel from Cassie Mae, two close friends surprise themselves by shifting from platonic love to sexual attraction. Eric Matua has one friend—his best friend and childhood sweetheart, who needs a place to stay for the summer. Mia Johnson has thousands of friends—who live in her computer. Along with her email chats and Facebook notifications, Mia also devours romance novels, spending countless hours with fictional characters, dreaming of her own Romeo to sweep her off her feet. When she starts receiving supersweet messages from a stranger who thinks she's someone else, Mia begins to believe that real love is possible outside her virtual world. When the two friends become roommates, Mia finds herself falling harder than she ever thought she could. But Eric keeps his desires locked away, unsure of himself and his ability to give his best friend what she deserves in a boyfriend. As her advances are continually spurned, Mia splits her time between Eric and her computer. But she soon realizes she's about to lose the only real thing she's ever had. Praise for *The Real Thing* "Cassie Mae is awesome! The perfect balance between laugh-out-loud funny and achingly poignant, *The Real Thing* is the ultimate escapist read. I didn't want it to end!"—Lauren Layne, author of *Isn't She Lovely* "Watching two best friends figure out how to fall in love makes *The Real Thing* a summer read of swoon-worthy perfection."—Jolene Perry, author of *The Summer I Found You* "Cassie Mae's *The Real Thing* made me want to close out every social media app and electronic device I have, but I couldn't manage to stop reading!"—Rebecca Yarros, author of *Full Measures* "A heartfelt, fresh and romantic read."—Book Crushin "I really loved this book. It deals with relevant issues and gives us two very unique characters you can't help but root for. The cute little updates or tweets that start each chapter, which are told in alternating POVs, were unique and added to the story. Definitely enjoyed this one and I am looking forward to other books from Mae."—So Many Reads "If I had to point out the most romantic novel I've ever read or if I had to name the novel whose characters I most identified with, I would shove this one into your face."—Closet Geeks and Slo Mo "I would easily recommend this book to anyone who is looking

for a new adult book.”—Home. Love. Books. Praise for Cassie Mae “Cassie Mae’s writing is fresh and original!”—Rachel Morgan, author of the Creepy Hollow series “A fabulous author who tugs on your heart strings as if she owns them.”—Jade Hart, author of *Coffee and Cockpits* “Cassie Mae has a knack for developing characters who have you wanting to climb into the pages and become part of their world.”—Theresa Paolo, author of *(Never) Again* “Cassie Mae’s books have become my latest guilty pleasure. Pleasure, because who doesn’t love to read a romantic comedy? And I say guilty because when I lay my hands on one, I tend to read them in one sitting and let all my other responsibilities go to the wayside. What dishes?”—Pauline Creeden, author of *Sanctuary* “Mae is very good at getting me to chuckle throughout an entire book, because her heroines are quirky and unique.”—Book Nerd Are you eating healthy, but can't seem to lose weight? Do you feel like your metabolism has just switched off? Can't seem to shed (and keep off) those last 5 or 10 pounds? If you've tried every diet and they've failed you, you haven't been given the missing keys to actually unlock your weight loss. Until now, you've probably been told about only 2 components to losing weight: eat less and move more. But that's only a fraction of the equation! (In fact, those 2 factors are very misleading, too!) In this book, you get the full story: how to kick your metabolism into high gear and eat your way to a skinnier, healthier self. Why are there an abundance of programs, plans, pills and potions that claim to hold the secret to weight loss, yet we just end up heavier and more frustrated than before? The reason so many books and programs fall short is because they only look at a small piece of the metabolism equation. You need to see the FULL picture. In this groundbreaking book, Dietitian Cassie reveals the keys no one has told you about that'll unlock your metabolism's true power. She outlines the perfect program for rebooting your metabolism and losing weight—all while eating more food than you've ever eaten on any diet. This may be the first time a dietitian tells you that weight loss isn't just about food and exercise! You'll learn the never-talked-about elements that are either helping or hindering your weight loss battle. This new approach will

free you forever from a vicious cycle of endless dieting. Prepare to: Rev up your metabolism Boost your energy Cut cravings Increase productivity Drop the pounds-forever!" Cassie I'm a career woman. I wear success like a second skin, and I'm rarely satisfied with anything less than the best. This includes my love life. If you want to date me, you better bring your A game because I don't play with the B team. The only type of commitment I'm interested in is the one I have with my career. There is no man strong enough to tame me. Bold enough to rattle me. Or confident enough to win my heart. But then again, I have never met a man like Luke Rivas. Luke Cassie is one feisty, fiery, demanding woman who has enough confidence to intimidate even the bravest of men. She's driven, ambitious, and clearly has no interest in anything more than a casual fling. But here's the thing. I want her, and once I have her, there will be nothing casual about it. I will crack through that tough exterior she wears so well and bend her into submission. I'll make her break every one of her own damn rules just for me. And in order to accomplish just that...I'm willing to play dirty. Cassie was just a little girl who wanted to be loved. Betrayed by her mother in the most horrific manner, and abused by her 'uncle', she had to fight to survive the demons of her past. Cassie couldn't remember when the abuse began, but from an early age she knew that her life was different from other children. Her mother made it clear that she wasn't wanted, she wasn't loved and He said that he was her friend, that this was his way of showing her that she was special. With no one else to turn to, finally she found the courage to speak out, to tell her mother what he did to her. But her mother wouldn't listen, and with horror, Cassie was to discover exactly who her abuser was, and why she would never be heard. *I Did Tell, I Did* is the incredible story of a girl who was betrayed by everyone who should have loved her, and how she overcame the pain to find happiness and love, and to learn how to live with her past. When Cassie Pengear agreed to spend the evening with her cousin Milly, and Milly's latest gentleman caller and his mother, it was with the promise that Milly and her gentleman would not trouble her again unless there was an impending marriage. She did not

expect Milly to stumble over a body in her prospective mother-in-law's box room, and she certainly did not expect Inspector Wainwright to draw the case. Now Milly is convinced they're all suspects and Cassie is the only one who can figure out who murdered the body in the box room. In a Victorian England that almost existed, a steampunk London where tinkerers and clockwork devices exist alongside hansom cabs and corsets, murder is still solved by traditional observation and intuition. This is the London where American typist Cassandra Pengear finds herself stumbling over corpses and helping Scotland Yard detectives solve murders (although they inexplicably prefer to call it interfering). Follow her adventures in the Cassie Pengear Mystery series, beginning with *The Killing at the Carnival*. "Visceral...a vital, heart-wrenching account of one teen's harrowing experience." —Publishers Weekly (starred review) In the vein of *The Way I Used to Be* and Kelly Loy Gilbert's *Conviction*, this "exceedingly well-written, powerful, and suspenseful" (Kirkus Reviews, starred review) young adult novel follows a girl's struggle to reconcile friendship, sexual abuse, and the secrets we bury deep down inside to survive. High school freshman Emma Clark harbors a secret—a secret so vile it could implode her whole world, a secret she's managed to keep buried...until the day her best friend, Hannah, accuses Emma's father of a heinous crime. Following her father's arrest and torn between loyalty to Hannah and to her family, Emma is devastated to learn she must testify against Hannah's word in order to keep her family together. As Emma wrestles with this impossible decision, her fractured past begins to resurface piece by painful piece—causing the line to blur between her present-day reality and the dark fairy tales she writes to survive, all of which threaten to expose Emma's long-buried truths. *The Secrets We Keep* explores the complex, powerful bonds of friendship and family, asking the difficult question: At what point does Emma's loyalty to another become a betrayal of herself? And perhaps the toughest question of all: Can Emma find the strength to finally unbury her secret? A less than innocent Obsession has turned into a deadly game of Seduction... The Deadly Seven were something I never could have prepared for. They came into

my life like a silent stalker, claiming my heart and body, and I gave into them willingly. I love those seven broken souls, but even love has its limits. Everything is a fragile mess of emotions as I struggle to decide who I can trust after they lied to me, and just how I'm going to get my Dad back. I want to trust them, but how many lies can my heart take? *** Our family was solid before she walked into our world, turning it upside down and becoming our everything. Another person to guard and protect with everything we have, because now...if we lose her, we lose a huge piece of ourselves. She'll never be rid of us because we are her demons. We'll burn the entire world down to prove our love to her. Come hell or high water, our girl isn't going anywhere. *This is book 2 in a 4 book series that must be read in order.* **Dark romance with stalking, non/con, dub/con, and much much more. Read TW before attempting to read this series!!** ***This is a reverse harem where the main character ends up with 3+ men. In this case, 7. If that isn't your thing then this series is not the right one for you. This series also contains M/M scenes and relationships within the harem.*** Dark Ink Tattoo is a steamy paranormal romance series in the vein of *Sons of Anarchy* or *True Blood* if everyone in them was a werewolf, vampire, and queer. Angela: I know fear well. It's had me looking over my shoulder since the day I ran from The Pack, Nevada's most dangerous werewolf motorcycle gang. As a single mom I've had seven years to build a life and my tattoo parlor with the help of my best artist, Jack. But I'm living on borrowed time. My biker ex-boyfriend may still be in prison, but that won't stop him from getting what he wants—our son. Jack: I want her, I crave her, but as a vampire, I know I can never have her. So I wait and watch from the shadows. But when a friend is murdered by the same gang that's threatening Angela, I vow that they will never touch her. Their blood will be mine first. She's a wolf backed into a corner. He's a vampire on a tight leash. Welcome to Dark Ink Tattoo, where needles aren't the only things that bite. Keyword note: *Blood of the Pack* is perfect for people who miss Charlaine Harris's *Southern Vampire Series*, featuring Sookie Stackhouse, which *True Blood* was based on...only everyone in it is bisexual and it's 5/5 spice. Cassie Miller is

broke. Her parents cut off all funding when she dropped out of medical school, and graduate school is expensive. A full-time nanny job at the Wellington estate is the answer to her problems, except working for beautiful, successful Brook Wellington wasn't in the job description. Brook has always had a head for business. Born into a global shipping empire, she sits at the helm running it with skill and savvy. But success comes at a cost. Her priority is her six-year-old son, but she can't be in two places at once. Hiring a nanny isn't the perfect solution, but it would certainly help, and Cassie came highly recommended. If only she wasn't so damn attractive. Can Cassie and Brook deny their growing attraction and keep things professional? Or will they sidestep propriety and give in to temptation? Love is so overrated Maya never expected to get kissed when she walked out in her ratty old hoodie (and nothing else) to get the mail. But when a shirtless god jogs down your street, grabs your face, and kisses you... you kiss that man back! Cooper is on a mission to find the love of his life, and he's gotten desperate. Over thirty years old with more money than he could spend in his lifetime, he's ready to spoil and love his soul mate. After hiring the beautiful woman he kissed on the street as his realtor, he's convinced that fate has led him to her. Maya doesn't buy into fate and definitely doesn't want something serious. She's not ready to become one of her baggy-eyed friends who all have two or more kids and one or less husband. But when Cooper challenges her to a week of living the married life, Maya dives in headfirst thinking she's sure to prove that singlehood is really the way to go, even if she does end up falling head over heels. Frustrated with the progress of her application to join the St Vincent and the Grenadines detectives, Cassie Providence resigns from the police force and sets up as a private investigator. This collection features her first six cases: the disappearance of a young woman after work one Friday; the robbery of an Arts Centre; the theft of a cutlery set by two warring sisters; the murder of a businessman after a dance; the blackmail of a headmaster; a wife being abused by her van driver husband. Tenacious, funny and impulsive, Cassie P is a Caribbean woman readers will take to their heart. Written with charm and warmth, lose

yourself in these St Vincent and the Grenadines mysteries. Praise for the author: 'Browne has a gift for creating memorable and appealing characters and for placing them in unlikely situations.' Wasafiri With her fresh, charming, and hilarious take on contemporary romance, Cassie Mae introduces readers to a soon-to-be college freshman who's cashing in on her sweet reputation—and the unlikely guy who turns her life upside-down. In the wealthy town of Sundale, Kelli Pinkins has hatched the perfect plan to capitalize on her sweet reputation. For a generous fee, she will be every trust-fund baby's dream: a Friday-night alibi, the "girlfriend" or "BFF" that parents dream about. With college approaching in the fall, Kelli's services are in demand more than ever, which means that her social life is nonexistent. But Kelli is A-okay with that. She's raking in cash for school. Besides, relationships are tricky, and sometimes very messy. She'd rather be at home on Xbox LIVE, anyway. Then the unexpected happens: She meets college stud Chase Maroney. Chase isn't like the preppy, privileged guys Kelli usually meets in Sundale. For starters, he's twentysomething, always wears black, and he shoots back one-liners as fast as she can dish them out. But Kelli's attempts to drive Chase away falter when she realizes that he treats her like he really knows her, like he cares about knowing her. When Kelli finally gives in to the delicious kiss she's been fighting for so long, she faces a tough decision: make Chase a real-life boyfriend and risk her heart . . . or keep her clients and lose her first true love. Praise for Friday Night Alibi "[A] very cool story."—Writing Through Rose Tinted Glasses "This was a great beach read and I love Chase and Kels!"—Paranormal Wastelands "Cassie Mae's writing is fresh and original, making for an utterly enjoyable read with plenty of laugh-out-loud moments. You'll be nose to toes in love with this book!"—Rachel Morgan, author of the Creepy Hollow series "[Friday Night Alibi is] a funny story and well worth the read. If you're looking for something that is quick and light-hearted then I would recommend this to you."—Sharon's Book Nook "Cassie Mae knows how to write, and write she does! You definitely do not want to miss Friday Night Alibi!"—Le Book Squirrel (five stars) "Friday Night Alibi was

a brilliant, lovely summer read. It was lighthearted, funny, and so sweet. . . . My rating: 5 Roses.”—Imagine a World “Totally entertaining with as many swoon-worthy moments as hilarious ones, Friday Night Alibi is a must-read.”—Jolene Perry, co-author of Out of Play “A fun, funny, and fantastic story, this is one you will read in a day, and pick up to re-read again the next.”—Kelley Lynn, author of Fraction of Stone “I loved this book. Chase had me right away, from his first smart-ass comment. He’s got a sharp wit that I adore but is also sweet and caring . . . definitely one of my favorite book boys!”—Rachel Schieffelbein, author of Secondary Characters “Cassie Mae is a fabulous author who tugs on your heart strings as if she owns them. I will never be able to eat an orange again without thinking about Chase. Loved everything about this book!”—Jade Hart, author of Coffee and Cockpits Dark Ink Tattoo is a steamy paranormal romance series in the vein of Sons of Anarchy or True Blood if everyone in them was a werewolf, vampire, and queer. Jack wasn’t always a vampire, and Angela wasn’t always a werewolf—delve into the events that brought them together. Angela: I thought my best friend Willa was crazy when she wanted us to flirt with the leader of a motorcycle gang but somehow, the three of us fell in love...at least that’s what I thought. Then I realized the horrific truth about Gray’s biker gang—everyone in it was a werewolf. Monsters were real. And suddenly, Willa and I were expendable, unless we became monsters, too. Jack: I wasn’t expecting to see my high school crush at a strip club—but once I saw Thea spinning around a pole, I knew I’d gamble everything I owned for a night with her. Too bad in order to save her, I would have to make a deal with a vampire: become a monster, or watch Thea die. She was a woman forced to sacrifice her humanity. Cairo, the olive-skinned and amber-eyed sailor whose muscles make my stomach squirm. Hunter, the chiseled blond beauty with the boy-next-door smile. Logan, their distinguished Lieutenant Commander who has the most experience of the three. But my three new lovers have some vicious enemies. Catalan terrorists who want to blow up Barcelona. Men who want to kill the SEALs--and me too. Now my powerful SEALs insist on protecting me. Even if it means keeping me from my own vacation plans. Is their vigorous protection just paranoia? Or will these three alphas do anything to keep their woman safe? SAVED BY THE SEALs is a thrilling, steamy, stand-alone Reverse Harem Romance filled with humor, action, and suspense. It also contains sizzling hot MFMM menage sex, in single and multiple partner scenes. HEA guaranteed! Three sexy soldiers escorting me to exotic locations around the world. Watching my back. Protecting me. Sharing me. I met the most gorgeous man in the world at a hacker convention. And out of everyone there, he took me back to his hotel room. But a sizzling one-night stand wasn't the only thing he had in mind.

He gave me a proposition I never expected. A spot on his mercenary team. A mission to assassinate a Colombian drug lord. A chance to avenge my father's death. Donovan, the jacked Marine who knows how to take charge. Gregor, the cocky Army boy specializing in explosive ordnance. Michael, the dark and secretive Israeli Special Operative. These delicious mercenaries will protect me on our mission. And the fringe benefits will drive me to the edge of what I can take. Can I survive their intense love? Or will my inability to choose get in the way of our mission? TRIPLE TEAM is a thrilling, sexy, stand-alone reverse harem romance filled with humor, action, and suspense. It also contains sizzling hot MFMM menage sex, in single and multiple partner scenes. HEA guaranteed! Cassie Harper is a disillusioned high school senior who is daily losing ground in a battle against her own nihilistic inclinations. When a beautiful new girl from California comes to town and attempts to befriend a reluctant Cassie, the two unlikely companions find common ground in a shared sorrow. Cassie lives with her mother and grandmother in a dilapidated house in a nameless Kansas town, where she is haunted nightly by dreams of a father who died before she was born. Amy Cole has just moved from California, where she recently lost her mother and brother in a car accident. When Amy finally breaks down the walls of Cassie's self-imposed solitude, the girls band together to avoid the common end of all high school students: inexorable assimilation into an increasingly empty and incomprehensible world. But as Amy and Cassie attempt to outrun fate, their pursuit will be cut short by an unexpected adversary, leading Cassie to devise a chilling and unimaginable revenge. Cassie Draws the Universe is a complex and tragic tale of friendship and betrayal, living and dying, human cruelty, and the terrible price of vengeance. Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! What's the price of fame? Cassie is the best singer in Southside High's Glee Club and dreams of being famous. She skips school to try out for a national talent competition. But her hopes sink when she sees the line. Then a talent agent shows up out of nowhere. Cassie is flattered to hear she has

"the look" he wants. Soon, she is lying and missing rehearsal to meet with him. And he's asking her for more each time. How far will Cassie go for her shot at fame? Single mom, Cassie Verano, and her two young daughters move to small town Worthy, Ohio to be near her brother and his family. After years of secretly writing best-selling novels, she longs to raise her daughters without her ex-husband's family's controlling interference and live in peace. Her daughters befriend two girls who are cared for by their aunt who urges Cassie to meet her brother. It's the last thing she needs or wants. Widowed business owner, Steve Nardelli, wants nothing more than to complete his huge Australian deal and expand his deceased father's electronics firm to secure his family's future. But his sister's matchmaking antics over the past two years frustrates him. His disastrous marriage caused him to distrust women and he can't seem to make his sister understand he doesn't want or need any entanglements. Despite Steve's misgivings about Cassie's secrets, when his sister disappears, he enlists Cassie to help care for his daughters. When Cassie has an odd dream, Steve blames her for his sister's disappearance. Can Steve and Cassie overcome their mutual distrust and expose their secrets to one another to have a second chance at true love? It wasn't my fault. Zack Tupelo, the chiseled blond stripper, kept smiling at me during the bachelorette party. Giving me sultry looks while gyrating his flawless body in front of everyone. I never would've gone home with him if I knew the truth: He's a student in my History 414 class. I'm his Professor. Now we have to spend the fall semester pretending it didn't happen. But neither of us can forget the sweaty, scintillating night of passion we shared. Making matters worse is Finn, Zack's dark-haired stripper partner. He's covered with delicious tattoos and has a quiet intensity in his gaze. A gaze which he soon turns on me in the bedroom. Then there's Professor Dominic Karlson, my colleague in the history department. A former football star, he fills out every inch of his dress shirt with bulging muscle. He's the fantasy of every woman at the university... ..yet out of everyone there, he asks out me. I'm juggling men the way I normally juggle classwork. Grading papers while grading the handsome

men in my life. Will I be able to choose between them? Or will my forbidden affairs be discovered? EXTRA CREDIT is a sizzling reverse harem love story filled with humor, suspense, and college-related fun. HEA guaranteed! Micah's grandfather is gravely ill. He tells his grandson about a mysterious magic circus he visited as a boy, where he was promised a miracle by a man who can bend light. Micah is determined to find out the truth of the Circus Mirandus before it's too late, but he'll have to wrestle with giant white tigers - and his wicked aunt - along the way. NOW A NETFLIX ORIGINAL FILM! When a soldier with a troubled past and a struggling songwriter agree to a marriage of convenience for the military benefits, neither expects much after saying "I do." Then tragedy strikes, and the line between what's real and what's pretend begins to blur in this smart and surprising romance perfect for fans of Nicholas Sparks and Jojo Moyes. Cassie Salazar and Luke Morrow couldn't be more different. Sharp-witted Cassie works nights at a bar in Austin, Texas to make ends meet while pursuing her dream of becoming a singer/songwriter. Luke is an Army trainee, about to ship out for duty, who finds comfort in the unswerving discipline of service. But a chance encounter at Cassie's bar changes the course of both their lives. Cassie is drowning in medical bills after being diagnosed with diabetes. When she runs into her old friend Frankie, now enlisted in the Army, she proposes a deal: she'll marry him in exchange for better medical insurance and they can split the increased paycheck that comes with having a "family." When Frankie declines, his attractive but frustratingly intense friend Luke volunteers to marry Cassie instead. What she doesn't know is that he has desperate reasons of his own to get married. In this unforgettable love story, Cassie and Luke must set aside their differences to make it look like a real marriage...unless, somewhere along the way, it becomes one... Ten-year-old Cassie lives with her working-class family in 1919 Winnipeg. The Great War and Spanish Influenza have taken their toll, and workers in the city are frustrated with low wages and long hours. When they orchestrate a general strike, Cassie — bright, determined and very bored at school — desperately wants to

help. She begins volunteering for the strike committee as a papergirl, distributing the strike bulletin at Portage and Main, and from her corner, she sees the strike take shape. Threatened and taunted by upper-class kids, and getting hungrier by the day, Cassie soon realizes that the strike isn't just a lark — it's a risky and brave movement. With her impoverished best friend, Mary, volunteering in the nearby Labour Café, and Cassie's police officer brother in the strike committee's inner circle, Cassie becomes increasingly furious about the conditions that led workers to strike. When an enormous but peaceful demonstration turns into a violent assault on Bloody Saturday, Cassie is changed forever. Lively and engaging, this novel is a celebration of solidarity, justice and one brave papergirl. Landon Marks was everything a girl could want for a childhood crush. Being my older brother's best friend and 15 years older than me, he was always considered off limits, but everything changed the summer I turned 18 and I went to work for him. Lilly Adams was always just my best friend's kid sister and a pain in my ass. That was until something changed when she was 16. I knew she was mine, and when she came to work for me the summer before college, I refused to let her go. She was mine. She just didn't know it yet...*This is a DDLG book and contains mature content with elements of BDSM. Readers should be 18+. Lenny Barker is pleading not guilty to the brutal murder of prostitute Shelley Paulson, while his defence barrister Cassie Hardman is left in no doubt of his guilt - that is until she learns of compelling new evidence in the highprofile case to which only she is privy. Risking her future career and her ambition to become a QC, Cassie Hardman seeks a fair trial for the accused Barker, and will stop at nothing to locate the missing witness who may hold the key to his acquittal. Will she find the man in question before the jury retires to consider their verdict at the Old Bailey? And if Barker is acquitted of the gruesome crime who was really responsible? www.scribblingadvocate.com This memoir is of an ordinary teenager growing up in suburban Colorado, and faced, as all teenagers are, with difficult choices and pressures. Told by her mother, it is Cassie's story, one of the Columbine High students killed by two schoolmates.
